- **Abbvie**

Booth: 322

1 North Waukegan Road
North Chicago, IL 60064

www.abbvie.com

We're a company that takes on the toughest health challenges. But we do more than treat diseases—we aim to make a remarkable impact on people's lives. We are AbbVie, a highly focused research-driven biopharmaceutical company.

- **Academy of Oncology Nurse & Patient Navigators**

Booth: 100

1259 South River Road
Suite 202

Cranbury, NJ 08512

732.659.3100

www.aonnonline.org

The vision of AONN+ is to increase the role of and access to skilled and experienced oncology nurse and patient navigators so that all cancer patients may benefit from their guidance, insight, and personal advocacy.

- **American Lung Association**

Booth: 218

55 Wacker Drive, Suite 1150

Chicago, IL 60601

1-800-LUNG-USA202-71534

www.lung.org

The American Lung Association is the leading organization working to save lives by improving lung health and preventing lung disease through education, advocacy and research. For more than 110 years, we have led the fight for healthy lungs and healthy air, whether it's searching for cures for lung diseases, keeping kids off tobacco, or fighting for laws that protect the air we breathe. One of our main strategic imperatives is to defeat lung cancer. Through our strategic cause campaign, LUNG FORCE, we unite women and their loved ones across the country to stand together against lung cancer and advocate for high-quality care for all. Our latest initiative, Tell a Friend about Tumor Testing, aims to educate patients and healthcare professionals about the importance of comprehensive genomic testing for lung cancer.

- **Amgen**

Booth: 128

One Amgen Center Drive

Thousand Oaks, CA 91320

805.447.1000

www.amgen.com

Amgen is committed to unlocking the potential of biology for patients suffering from serious illnesses by discovering, developing, manufacturing and delivering innovative human therapeutics. A biotechnology pioneer since 1980, Amgen has

reached millions of patients around the world and is developing a pipeline of medicines with breakaway potential.

Built-in Expertise

This broad scope, long-term inside look at the infusion industry has provided Zyno Medical with unique expertise. We have leveraged this expertise into the core design and manufacturing of our Z-800 Infusion Pump Series, features and accessories.

We are also now introducing the availability of patient-centric, dispensing-to-documentation, wireless solutions for alternate site customers.

Our ZynoFlo Integrated Infusion System offers the ability to link Med Dispense Systems and EMR systems directly to Zyno infusion pumps providing entirely new levels of safety, workflow and business efficiencies.
