

JUSTIFY YOUR TRIP

 ACCC 43rd Annual Meeting - Justify Your Trip

Justify Your Trip

 blockquote

We must come together to discuss the issues that affect us all and understand the options we can employ to make a difference and benefit our patients. *2016 CANCERSCAPE Participant*
The Association of Community Cancer Centers (ACCC) 43rd Annual Meeting, CANCERSCAPE, delivers invaluable information to help you assess the impact of a new political landscape on your program's economic viability and your patients' access to care. Inspiring speakers and interactive programming will offer a roadmap to the issues, challenges, and opportunities in this uncharted healthcare landscape.

You will return to work with a deeper understanding of health policy, connected to professionals who are grappling similar challenges, and motivated to tackle the inevitable changes that will affect your cancer program and patients.

Please use the justification letter, meeting agenda, and expense spreadsheet templates to justify your attendance at CANCERSCAPE to your supervisor.
