Real World Immuno-Oncology: A Multidisciplinary Look at Survivorship, irAEs, and Step Therapy Workshop

Friday, March 22, 2019

1:00 - 3:30 PM

Sponsored by Amgen

A multidisciplinary panel will share their perspectives on real world challenges and actionable solutions related to immunotherapy survivorship, immune-related adverse events (irAEs), and step therapy. Hear directly from a patient who received immunotherapy treatments and was personally impacted by each of these challenges—and learn what steps healthcare professionals can take to improve the care and well-being of patients who receive immunotherapy for cancer.
