CALL FOR BUSINESS CASE STUDIES

The **Association of Community Cancer Centers (ACCC)** and **Cancer Center Business Summit** invites you to submit a business case study for presentation at the ACCC 46th Annual Meeting & Cancer Center Business Summit (AMCCBS), March 4-6, 2020, in Washington, D.C.

AMCCBS offers a platform for presenters to showcase solutions, initiate provocative discussions, present relevant information, and share creative strategies to address the many challenges facing business leaders, healthcare executives, and cancer care providers who strive to stay ahead of the curve in today's evolving healthcare environment.

Preference will be given to presentations that are evidence-based, data-driven, and demonstrate measurable outcomes. Case studies should include best practices that aim to improve quality, reduce costs, streamline operations, and enable the transition to value-based oncology care.

Submission deadline is Friday, September 6, 2019.

Submission Details:

- There is no limit to the number of submissions by individual or group.
- Submissions from vendors/service entities are encouraged to include a provider-client counterpart as demonstration of the service/application being presented.
- Submission of a business case study implies a commitment to attend and present an oral presentation on March 5 or March 6.
- Notification of acceptance will be received by Monday, September 30, 2019.

- Accepted presenters will receive complimentary meeting registration, one-night lodging, and travel reimbursement.
- ACCC will only reimburse one presenter per submission. Additional presenters must pay their own expenses.
