# COVID-19 HEALTH AND SAFETY PROTOCOLS

We are thrilled to meet in-person for the first time since the 2020 Annual Meeting & Cancer Center Business Summit (AMCCBS) and are committed to the health and safety of our attendees, speakers, staff, and exhibitors. Our goal is for AMCCBS to be a safe event for those who attend and will put forth all efforts to ensure that the policies follow the latest CDC and local guidelines, public health recommendations, and what ACCC deems necessary to manage the risk at an in-person event.

All who attend the ACCC 48th Annual Meeting & Cancer Business Summit, March 2-4, at the Washington Hilton are required to:

- Be fully vaccinated for COVID-19 before arriving onsite and submit verification via the [Bindle app](#) (link only available through mobile).
- Comply with all health, safety, and distancing guidelines detailed below.

These guidelines apply to all attendees, speakers, exhibitors, and ACCC staff. We will continue to monitor CDC and local guidelines for safe meetings and update this page, as necessary. If you are unable to comply with ACCC health and safety protocols, we welcome you to join us online for the live-streaming components of AMCCBS. If you have any questions or concerns regarding these protocols, please contact [registration@acc-cancer.org](mailto:registration@acc-cancer.org).

## What you can expect:

- Masks are **strongly encouraged** for all participants of AMCCBS at all times except when actively eating or drinking. A limited supply will be available onsite.
- Contactless conference check-in.
- Distanced seating in education sessions and meal areas.
- A dedication to social distancing measures throughout the meeting space.

- Availability of hand sanitizer.

Washington Hilton has implemented the CleanStay program in partnership with Reckitt, makers of Lysol® & Dettol®, to help deliver an even cleaner stay for guests. For details on the Hilton CleanStay program, [click here](#).

We appreciate your continued cooperation.
