AMCCBS NETWORKING

On Site Networking Engagement Opportunities

We want to ensure you have purposeful, direct engagement with providers that aligns with YOUR priorities and what your company can provide. While we won't have an exhibit hall, attendees are invited to connect in one of our many networking spaces. Here's what's in store for our #AMCCBS Sponsors:

- **Lead Retrieval:** Scan AMCCBS attendee badges wherever you are – Networking Lounges, hotel elevator, during a session – and receive their contact information for post-show follow up. And Boomset's Lead Retrieval License is not limited to being used in just one device. Sponsors will receive a link to purchase their license.

- **Appointment Scheduling:** We will be using the **Swapcard** app to connect AMCCBS attendees. Attendees should receive a link to download the app and join the conference digital experience! They'll be able to see the list of attendees, invite colleagues to connect, and schedule meetings.

- Current **Attendee List** is shared weekly with Corporate Members and sponsors so they can reach out to colleagues and begin scheduling meetings at our exclusive networking opportunities and throughout the conference.

Networking Spaces

- AMCCBS Connect Lounge

- ACCC Corporate Members & Annual Meeting Sponsors Lounge (exclusive meeting space for Corporate Members, Sponsors and their guests)

- Dining Lounge
