## ATTENDEE TESTIMONIALS

The ACCC 46th Annual Meeting & Cancer Center Business Summit is an extraordinary opportunity to learn the latest process improvement ideas, connect with like-minded colleagues, and generate momentum for change within your organization. But don't just take our word for it...

## WHAT THEY'RE SAYING

*During the Surgery pre-conference I was able to connect with colleagues who had LDCT programs. They gave me excellent insight on how to improve my current program.*

*Arielle Hollins, MHA  
Multidisciplinary Team Manager,  
Mary Bird Perkins Our Lady of the Lake Cancer Center*

*Love the information, case studies and discussion about collaborative arrangements between community practice settings and other organizations.*

*Sharon K. Steingass, RN, MSN, AOCN  
Director, Clinical Operations: James Affiliate/Community Program, Clinical  
Call Center and JamesLine, Arthur G. James Cancer Hospital and Richard J.  
Solove Research Institute at The Ohio State University*

*The exhibits were good--I brought back vendor information which will be helpful with budget season around the corner. Liked the general sessions and how they built upon each other.*

*Katrina L. Schirmacker, RN, MSN  
Executive Director, Cancer Center  
University Hospital New Jersey*

*I really enjoyed the speakers during the early morning and early afternoon sessions that stretched the audience's thinking about how we should be approaching and developing our teams.*

*Cheryl Fiscelli, DNP, RN, CAPA  
Clinical Nurse Manager, Radiation Oncology/Tomotherapy  
University of Colorado Hospital, University of Colorado Cancer Center*

*It was great to speak with other cancer centers who are navigating similar waters. It gives me confidence in our program's direction and provides additional resources for me to rely on and gather information from.*

*Barbara McFarland, MBA  
Administrator, Outpatient Cancer Services  
Georgia Regents University Cancer Center*

*Nearly all of the sessions I had the opportunity to attend were excellent. I very much enjoyed them and they gave an interesting perspective on the current and future landscape of community oncology care.*

*Jennifer Zahn, CTR  
Senior Director, Oncology Data Services  
Ciox Health*
