## ACCC COVID-19 Health and Safety Protocols

We are thrilled to meet in-person for the first time since the 2020 Annual Meeting & Cancer Center Business Summit (AMCCBS) and are committed to the health and safety of our attendees, speakers, staff, and exhibitors. Our goal is for AMCCBS to be a safe event for those who attend and will put forth all efforts to ensure that the policies follow the latest CDC and local guidelines, public health recommendations, and what ACCC deems necessary to manage the risk at an in-person event.

All who attend the ACCC 48th Annual Meeting & Cancer Business Summit, March 2-4, at the Washington Hilton are required to be fully vaccinated for COVID-19 before arriving onsite and submit verification via the Bindle app. Further, all who attend must comply with all health, safety, and distancing guidelines detailed within our [Health and Safety Protocols](#).
