ASCO DIRECT™ HIGHLIGHTS meetings condense the most cutting-edge science and education from the world's premier oncology event, the ASCO Annual Meeting, into a one-day program. The abstracts chosen for presentation and discussion reflect state-of-the-art developments and recent advances in oncology that will directly impact patient care. The program features in-depth discussion and analysis on the latest scientific findings in primary disease sites and practice-changing advances in cancer treatment. Expert faculty will place abstract findings into clinical context and discuss how the results may change the current standard of care.

AGENDA

6:30 – 7:30 AM	Registration and Networking Breakfast
7:30 – 7:40 AM	Introduction and Pre-Activity Assessment

LEARNING OBJECTIVES

At the end of this educational activity, participants should be able to:

- Review highlights of the advances in clinical and translational research presented at the 2019 ASCO Annual Meeting
- Identify emerging trends and strategies designed to improve the quality of survivorship care
- Evaluate tools and resources in specific areas of cancer management that can be used to achieve effective cancer care delivery and improve the patient experience

INTENDED AUDIENCE

Multidisciplinary clinical cancer care team members including—but not limited to—medical, surgical, and radiation oncologists; fellows; gastroenterologists; nephrologists; neurologists; pathologists; pulmonologists; radiologists; researchers; oncology nurse practitioners and oncology nurses; pharmacists; physician assistants; and other allied healthcare professionals.

CONTINUING EDUCATION

This educational activity will award continuing education contact hours for physicians, pharmacists, and nurses. MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program are also available.

For additional details—including Faculty and Planning Committee Conflicts of Interest—please visit acc-cancer.org/ASCO-Direct-NY.

“
There is great value in networking and connecting with colleagues at the ASCO Direct Highlights meetings. Having opportunities to interact with other oncology professionals are incredibly beneficial.”

2018 Attendee

Association of Community Cancer Centers

The **Association of Community Cancer Centers (ACCC)** is the leading education and advocacy organization for the multidisciplinary cancer team. ACCC is a powerful network of more than 25,000 multidisciplinary practitioners and 2,100 cancer programs and practices nationwide. ACCC is recognized as the premier provider of resources for the entire oncology care team. For more information visit acc-cancer.org or call 301.984.9496. Follow us on Facebook, Twitter, and LinkedIn, and read our blog, ACCCBuzz.

The **Empire State Hematology & Oncology Society (ESHOS)** is the largest oncology professional organization in New York. ESHOS is a powerful community of oncologists, nurse practitioners, physician assistants, and allied health professionals who provide a voice for multidisciplinary cancer care teams and the patients they serve. Members receive innovative resources to help stay ahead of the shifting healthcare landscape and challenges that directly impact the high-quality care their patients deserve. ESHOS is a Chapter Member of the Association of Community Cancer Centers (ACCC) and a State Affiliate of the American Society of Clinical Oncology (ASCO).
