Prepare for Reimbursement Challenges of the Next 12 Months

Ron DiGiaino, MBA, FACHE, *Revenue Cycle Inc.*

The next year will be pivotal for oncology coding and reimbursement. As we prepare to convert to new coding for Radiation Oncology MPFS in 2019, correct documentation will be crucial for determining and supporting medical necessity. Hear an in-depth review of coding and reimbursement trends, including financial counseling, compliance, and authorizations in medical and radiation oncology. Gain tactical knowledge to support your department and help overcome reimbursement obstacles.

2:45 – 3:45 PM

Developing Your Financial Navigation Services

Dan Sherman, MA, LPC, *The NaVectis Group*

Bolster your cancer program's financial advocacy services, find strategies to lower patients' out-of-pocket burden, and tap into external assistance programs to reduce financial toxicity. Identify opportunities for continuous improvement, learn to measure the impact on your bottom line, and how to use those savings as a justification to strengthen and grow your financial advocacy program.
