

## ACCC Oncology Reimbursement Meeting Agenda

**7:50 – 8:50 AM**                      **Registration/Breakfast in the Resource Center**

**8:50 – 9:00 AM**                      **Introduction and Welcome**

**9:00 – 10:25 AM**                      **Oncology Coding Updates**  
Teri Bedard, RT(R)(T), CPC, *Coding Strategies, Inc.*

The CY 2020 Medicare Final Rules include several changes for next year as well as some important changes for providers to prepare for CYs 2021. Learn what you need to do to ensure you are ready and compliant with Appropriate Use Criteria consultation requirements during this testing year and beyond. This fast-paced session provides tools to navigate the regulations that impact oncology coding and billing, so you don't leave anything to chance.

**10:25 – 10:35 AM**                      **Refreshment Break in Resource Center**

**10:35 AM – 12:00 PM**                      **Practical Tips to Improve Your Cancer Program's Revenue Cycle Management**  
Ricky Newton, CPA, *Cancer Specialists of Tidewater*

Managing data to track the performance of your cancer program and implement sound financial strategies is imperative to survive in today's economic environment. Gain practical management tips for increasing efficiencies and improving your revenue cycle management, accounts receivable auditing policies, and payer contracting.

**12:00 – 12:45 PM**                      **Lunch in the Resource Center**

**12:45 – 2:10 PM**

**Overcoming 2020 Documentation and Coding Hurdles**

Ron DiGiaino, MBA, FACHE, *Revenue Cycle Inc.*

This year is pivotal for oncology coding and reimbursement, and correct documentation will be crucial for determining and supporting medical necessity. Hear an in-depth review of coding and reimbursement trends, including financial counseling, compliance, and authorizations in medical and radiation oncology. Gain tactical knowledge to support your department and help overcome reimbursement obstacles.

**2:10 – 2:15 PM**

**Stretch Break**

**2:15 – 3:45 PM**

**Growing & Sustaining a Robust Financial Navigation Program**

Dan Sherman, MA, LPC, *The NaVectis Group*

Discover strategies to grow your cancer program's financial advocacy services by learning proactive tactics to address and treat financial toxicity. Recognize the importance of continued staff education and how to establish a systematic process of engaging staff with the right patient population. Uncover ways to measure the impact on your cancer program's bottom line, and how to use those savings as a justification to strengthen and grow your financial advocacy program.

**3:45 PM**

**Meeting Concludes**

*Agenda and session times subject to change.*
