Help Make ACCC's Bylaws Even Better

Every three years ACCC's Bylaws Committee writes recommendations for revision or amendments to the Bylaws in response to suggestions from the membership. Now's the time for you to make your recommendations. The deadline is December 1, 2012. Read ACCC's Bylaws online at: www.accc-cancer.org/association/pdf/association-bylaws.pdf.

ACCC voting membership will receive a written notice of any proposed bylaw amendments 30 days prior to the Annual National Meeting of the House of Delegates in March 2013. Bylaws amendments will then be presented to ACCC membership for a vote.
