A Clear View of Your Patient's Visit

Automatically communicate need-to-know information with the Versus Clearview™ badge and Advantages™ Clinic patient tracking system:

- ▶ Where patients are and how long they've been waiting
- ▶ Patient status (waiting for labs, in radiology, receiving treatment)
- ▶ Room/chair status (available, assigned, needing turnover)
- ▶ Where patients, physicians and caregivers should go next

Patient	Location	Lab	XRy	Inf Start	Inf Time	Est Inf Time
