Oncology Reimbursement Meetings—Free to ACCC Members

These meetings help you navigate the annual changes in oncology reimbursement and regulations, provide tools to strengthen your program's operations, and accelerate your knowledge on which measures you can take now—and down the road—to succeed in this rapidly changing landscape.

All members of the cancer care team who deal with oncology business and reimbursement will benefit from this meeting. Gain a comprehensive perspective in just one day of sessions:

- Review the latest trends in oncology coding and billing based on the 2018 Medicare Final Rules
- Assess financial strategies to track and improve the financial health of your cancer program
- Gain insight to upcoming coding and reimbursement challenges related to financial counseling, compliance, and authorizations in medical and radiation oncology
- Identify opportunities to improve the financial navigation services at your cancer program
- Investigate the impact of federal health policies on your cancer program.

Free to ACCC members; non-members are invited to attend at the low registration rate of \$149.
