

## UPCOMING MEETINGS

### Plan to attend a FREE Regional Oncology Symposium!

Get the latest information on APCs, AWP, and reimbursement coding.

Over the past nine years, ACCC has hosted more than 100 Regional Oncology Symposia in conjunction with state medical oncology societies. At each ACCC Regional Oncology Symposium, a number of sessions are held in an intense half-day format designed for medical and radiation oncologists, hospital cancer program administrators, practice managers, oncology nurses, and oncology social workers.

Here's the schedule of upcoming regional meetings.

November 15, 2000—Chicago, Ill.  
 November 30, 2000—Las Vegas, Nev.  
 December 12, 2000—Charlotte, N.C.  
 December 13, 2000—Charleston, S.C.  
 January 11, 2001—Honolulu, Hawaii

If you reside in one of these states and wish to receive a registration form or more information, please call 301-984-9496.

By taking a few minutes to create a Medscape Physician Web Site, you can begin offering patients information they simply can't find anywhere else — because it comes from you. 2. Guide your patients to your own Physician Web Site, and you'll be assured about the quality of what they are reading online. 3. Ease burdens on your staff by answering online the administrative questions that get asked again and again.

**Because patients look to you for health information, guide them to the best when they need it most.**

### Free Physician Web Sites from Medscape

It's never been easier to create a powerful, comprehensive online presence for your medical practice. With access to the Internet, a free Medscape membership, and about 20 minutes, you have everything you need to create your free Medscape Physician Web Site. You'll be able to offer your patients important information including links to sites you

recommend and a personalized "Note from Your Doctor" you can update as often as you like. That way, you'll be assured of the quality of information your patients are reading online. Discover for yourself all the benefits of a Physician Web Site from Medscape... the online resource for better patient care.
