

## ABOUT IOS

Founded in 1992, the Iowa Oncology Society (IOS) is a powerful community of multidisciplinary care providers involved in the treatment of patients with cancer.

IOS is a state Chapter Member of the Association of Community Cancer Centers (ACCC) and a State Affiliate of the American Society of Clinical Oncology (ASCO).

Members receive valuable educational content and innovative resources designed to help stay ahead of state and national challenges that directly impact the high-quality, affordable care their patients deserve.

## OUR MISSION

IOS strives to promote the highest professional standards of oncology in Iowa through member-driven educational programs, peer-to-peer networking opportunities, and collaboration with local organizations and industry trailblazers.
