Will the Gridlock Continue?

RATINGS SUMMARY

- **Solid:** These races are not considered competitive and are not likely to become closely contested.
- **Likely:** These races are not considered competitive at this point but have the potential to become engaged.
- **Lean:** These races are considered competitive races, but one party has an advantage.
- **Toss Up:** These races are the most competitive; either party has a good chance of winning.

RATINGS SUMMARY

SENATE SEATS

Includes seats not up for re-election. Control of Senate marked at 50 seats.

There are currently **48** Democrats, **49** Republicans and **3** Independents in the Senate. The 3 independents caucus with the Democrats, giving Democrats a 51-49 seat majority.

- **Solid:** These races are not considered competitive and are not likely to become closely contested.
- **Likely:** These races are not considered competitive at this point but have the potential to become engaged.
- **Lean:** These races are considered competitive races, but one party has an advantage.
- **Toss Up:** These races are the most competitive; either party has a good chance of winning.
