**Biomarker Testing & Targeted
Therapy in Advanced/
Metastatic NSCLC**

MODERATED BY Hatim Husain, MD

**BCMA-Targeted
Therapies for Relapsed/
Refractory Multiple Myeloma**

MODERATOR TO BE ANNOUNCED

**CONNECT WITH
THE COMMUNITY**

Stay informed on the latest research data in an informal, case-based discussion after spending some time networking with peers while enjoying breakfast and refreshments

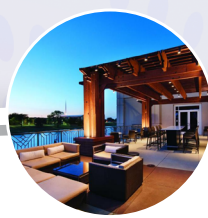

**DISCUSSION
TOPICS**

You choose the topic that is best aligned for the patients you're seeing in your practice now. Our moderators will present case-based clinical profiles to generate discussion among participants around recent clinical data and potential treatment strategies.

**COMPENSATION FOR
INSIGHTS**

Healthcare Research & Analytics® offers compensation of \$750 for your consultative insights during the forum's discussions, responses to polling questions and completion of a post-event survey.

**Reserve
your seat today!**

Seating is limited, and registration will close when capacity is reached.
