## ONCOLOGY EDUCATION FOR APPS Now Welcoming LOS Members!

If you want your APP to stay current with the latest evidence-based strategies for cancer treatment, side-effect management, palliative care, and survivorship, they should attend the APP Oncology Summit (APPOS)! APPOS is designed for APPs and provides practical strategies for APPs to optimize care and outcomes for patients with cancer.

Send your team for this two-day program to earn CE credits/contact hours and learn the latest clinical and practical strategies to improve care for your oncology patients and communication within your healthcare team.
