

## ABOUT MOS

Founded in 2003, the Missouri Oncology Society (MOS) is a powerful community of multidisciplinary care providers involved in the treatment of patients with cancer.

MOS is a state Chapter Member of the Association of Community Cancer Centers (ACCC) and a State Affiliate of the American Society of Clinical Oncology.

Members receive valuable educational content and innovative resources designed to help stay ahead of state and national challenges that directly impact the high-quality, affordable care their patients deserve.

## OUR MISSION

MOS strives to promote the highest professional standards of oncology in Missouri through member-driven educational programs, peer-to-peer networking opportunities, and collaboration with local organizations and industry trailblazers.
