

## ENGAGE AND SUCCEED WITH MSOS!

You deserve a community that understands the complexities of the shifting healthcare landscape. **We can help.**

## WHO ARE WE?

The Montana State Oncology Society (MSOS) is a diverse community of cancer care professionals from across the state. **Since 2015, MSOS has provided a unified voice for multidisciplinary cancer teams and the patients they serve.**

Members rely on MSOS for educational content and advocacy support in anticipation of—and response to—the challenges of delivering efficient, quality cancer care. We offer resources on coverage and reimbursement, federal and state legislation, integration of new treatment approaches, and more.

## SEE HOW MSOS CAN HELP YOU

We listen to your biggest challenges and interests in order to develop resources that will have the greatest impact on your clinical practice. Through our member-driven educational programs, peer networking opportunities, and collaboration with local organizations and industry trailblazers, we can help your practice anticipate and prepare for the future of cancer care.
