CONNECT WITH THE COMMUNITY

Stay informed on the latest research data in an informal, case-based discussion after spending some time networking with peers while enjoying breakfast and refreshments.

DISCUSSION TOPICS

You choose the topic that is best aligned for the patients you're seeing in your practice now. Our moderators will present case-based clinical profiles to generate discussion among participants around recent clinical data and potential treatment strategies.

COMPENSATION FOR INSIGHTS

Healthcare Research & Analytics® offers compensation of **\$900 or more for your consultative insights** during the forum's discussions, responses to polling questions and completion of a post-event survey.

**Reserve
your seat today!**

Seating is limited, and registration will close when capacity is reached.
