

How do you keep abreast of medicine?

Harmony Bowles Pharm.D. BCOP

New Mexico Society of Clinical Oncology Inaugural Oncology
Conference

10/8/22

Disclosure

- Nothing to disclose

Learning Objectives

- Discuss ways of keeping up-to-date with oncology/hematology literature
- Identify resources available to incorporate into your current practice to increase efficiency of continuing education
- Create and implement a realistic goal for reviewing new data in your area of practice

Get/Stay Involved

- Become a member of professional organizations
 - New Mexico Society of Clinical Oncology (NMSCO)
 - American Society of Clinical Oncology (ASCO)
 - Hematology/Oncology Pharmacy Association (HOPA)
 - Oncology Nursing Society (ONS)

Welcome to NMSCO, the premier community for oncology professionals in New Mexico.

The New Mexico Society of Clinical Oncology (NMSCO) represents the common interest of all care providers involved in the treatment of patients with cancer throughout New Mexico. We provide educational programs, networking opportunities, and robust advocacy support to help practices stay ahead of the shifting healthcare landscape and meet the challenges that directly impact how they care for their patients.
