

## ABOUT NSMCO

Founded in 2020, the New Mexico Society of Clinical Oncology (NMSCO) is a powerful community of multidisciplinary care providers involved in the treatment of patients with cancer.

NMSCO is a state Chapter Member of the Association of Community Cancer Centers (ACCC) and a State Affiliate of the American Society of Clinical Oncology (ASCO).

Members receive valuable educational content and innovative resources designed to help them stay ahead of state and national challenges that directly impact the high-quality, affordable care their patients deserve.

## OUR MISSION

NMSCO strives to promote the highest professional standards of oncology in New Mexico through member-driven educational programs, peer-to-peer networking opportunities, and collaboration with local organizations and industry trailblazers.
