20th Annual Winter Lung Cancer CONFERENCE®

February 3-5, 2023

The Diplomat Beach Resort · Hollywood, FL

IN-PERSON + VIRTUAL CONFERENCE

OVERVIEW

We are pleased to invite you to the upcoming 20th Annual Winter Lung Cancer Conference®, a first-class CME event about the treatment of patients with lung cancer. Based on the popular format consisting of expert overviews and dynamic Medical Crossfire® exchanges, this meeting will provide you with cutting-edge research and practical information regarding the care of your patients. Preview new agents and techniques that will inform the future of lung cancer treatment.

Don't miss ASCO Perspective on Future of Oncology Care, a lecture by Dr. Julie R. Gralow on February 5 at 10:50 AM!
