BOOT CAMP
Powerful Training to Boost Your Financial Advocacy Skills

Whether you are an experienced financial advocate or new to the field, the ACCC Financial Advocacy Boot Camp prepares you to help your patients and your program address the growing need of financial advocacy.

Two levels of dynamic, online courses will empower you to help cancer patients navigate the complex and fragmented healthcare system to pay for treatment while maximizing reimbursement of your program. Work at your own pace to acquire the key knowledge and skills necessary to succeed in the increasingly essential field of oncology financial advocacy.

With ongoing changes in healthcare coverage and reimbursement, professional development is critical to stay ahead in this ever-changing landscape.

PATIENT ASSISTANCE & REIMBURSEMENT GUIDE

Welcome to the new digital ACCC Patient Assistance & Reimbursement Guide! Healthcare professionals and patients can find the most up-to-date information on the anti-cancer medication assistance and reimbursement programs that are available to help alleviate the financial burden of cancer treatment.

This digital Guide enables you to search for applicable oncology-related products and manufacturers, and you can use any applicable filters to streamline your results. You will need to search for a product or manufacturer in order to see a filter to return a targeted results list. Click the circular arrow icon next to the program name for details on a program's benefits, application information, and eligibility criteria. Using your results, you can click on links to external websites and company phone numbers.
